

ACCREDITATION  
*Certificate*

INTERNATIONAL  
ACCREDITATION  
CENTER OF THE  
UNITED STATES

## Eldermont University

Address & Branches (if any)

8 The Green #18088, Dover, Delaware, United States

7901 4th St N #26232, Saint Petersburg, Florida, United States

**has been registered and accredited as an university  
by the International Accreditation Center of the United States (IACUS)  
for compliance with international requirements and standards  
within the following scope:**

**Higher Education Programs Offered by Private Institutions – Providing accredited undergraduate and graduate degree programs in various academic disciplines, including business, technology, theology, leadership, and education.**

**Certification and Training Programs – Offering professional development courses, certification programs, and continuing education across multiple industries, including leadership, counseling, and technology.**

**Faith-Based and Theological Education – Delivering academic programs in theology, ministry, biblical studies, and ethical leadership, integrating faith and scholarship.**

**Online and Distance Learning – Providing flexible and accessible education through digital platforms, enabling students worldwide to pursue degree programs and certifications remotely.**

**Academic Research and Publications – Supporting scholarly research, academic writing, and publishing in various fields, contributing to global knowledge and professional practice.**

**It is also a provider of certificates issued by the International Accreditation Center of the United States; however, it is not authorized to use the IACUS's name and logo on the diplomas or certificates it issues independently.**

**The validity period of accreditation and registration is specified below.**

**The certificate validity date is  
19.03.2026**

Date of Certificate Issue : 19-03-2025  
Certificate Registration No. : IAC2020151404
